## ROOFTOPI VE BL

This is a IOO's fan translation. This is not the afficial translation. I am in no way a professional! I do this far the lave of BL and to share with others. If you would like to use my translations! I don't care, the more people that can read this the better. Al I ask is that you email me far

permission, leave all credit pages and credit properly. Of cause always suppa your mangaka by tweeting, or emailing them and buying their work even if it's not in your language!
